

# CDA Dentsply Sirona Student Clinician Research Program

The ASM welcomes the CDA Dentsply Sirona Student Clinician Research Program. This program features presentations by student clinicians from all 10 Canadian dental schools. A closed judging session will be held on Thursday, May 4. ASM attendees will have the opportunity to view the posters/table clinics and speak to the student clinicians on Thursday afternoon and all day on Friday, May 5, on the Exhibit Floor.

The goal of the table clinics is to stimulate ideas, improve communication, and most of all, increase student involvement in the advancement of the dental profession. Please take a moment to stop by **Booth 140** and provide encouragement to these young researchers.

## Thursday, May 4

- Morning Table Clinic – *Closed Judging Session*
- Afternoon Table Clinic – *Open Session*

## Friday, May 5

- Morning Table Clinic – *Open Session*
- Lunch – *Joint CDA Dentsply Sirona/Pierre Fauchard Academy Awards Luncheon (By invitation)*
- Afternoon Table Clinic – *Open Session*

For complete program details, please visit: [cda-adc.ca/en/becoming/students/dentsply](http://cda-adc.ca/en/becoming/students/dentsply)
